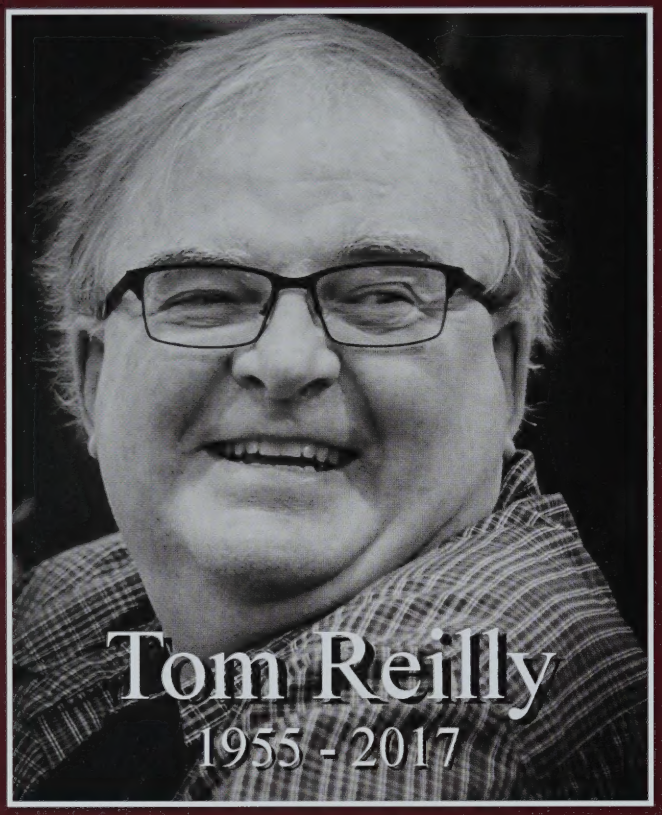
Dedication



In loving memory of Mr. Thomas Reilly

The class of 2017 would like to dedicate their yearbook to Mr. Thomas Reilly, a dedicated English teacher and a loving husband/father who cared so deeply, not only about his profession, but also for his students. It was heartbreaking news to hear that he had passed away in early January. We will always remember Mr. Reilly for the incredible impact that he had on Millbury High School. He will be missed deeply by both faculty and students. He played a major role in Millbury both in and out of the school. Mr. Reilly meant more to us than he could ever know. He will forever remain in our hearts.

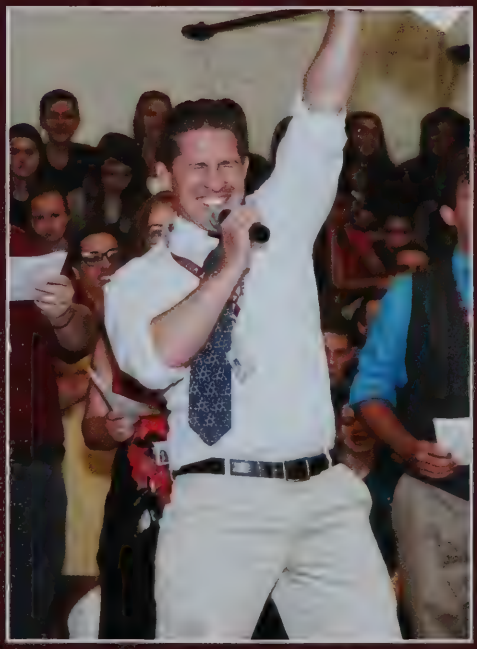
Woolie Pride



Millbury, Massachusetts

Millbury.

A small town filled with a variety of people and students that all come together as a whole. We call ourselves Woolies. Many may ask, "What's a Woolie?" We do not have to respond with an answer since our explanation lies within our personalities and actions. The majority of students have lived in Millbury their entire lives and know the town inside and out. Around town, you're almost certain to see someone you know. As the Class of 2017 makes their departure for the next chapter of our lives, we wish the best for Millbury and it's students. Millbury has been an amazing town to be a part of.

We had a bit of a slow start, going 0-3-1 in the first 4 games. However, after finding some chemistry and making some adjustments, we won 9 out of the next 10. We then won SWCL and qualified for districts. Our biggest accomplishment was overcoming a 2-0 deficit to the number one seed, Oakmont Regional High School, in the District Quarterfinals. After tying it up 2-2 with 70 seconds to play, we finished the job 4 minutes into overtime on an unforgettable moment.

We started the season off strong with a seven game win streak. We defeated our biggest rivals, Grafton and Dover-Sherborn, who went to the State semi finals last year. We then took three tough losses to Leicester, Algonquin, and Grafton later on in the season. We then went on to the playoffs, beating three tough teams and winning the district finals. After that we proceeded to the State semi finals beating Granby for the second year in a row, and also defeating Medway to take home a back-to-back State Championship title.

Our season started off a little unexpected. We started slowly but built our way up. We had our ups and downs, but they only made us stronger. Together, we have accomplished so much. We are more than just a team, we are sisters, Sorellas. This team has gone through it all, but we went through it together. We are district champions. We made it to the State Semi Finals and even though the outcome wasn't what we wanted, we left knowing we accomplished great things. Here's to this team. We gave our everything. We would like to thank our families, friends, and Collette for supporting us. Good job ladies! Sorellas for life!

This year our team had a very good season. We only lost to our rival, the Uxbridge Spartans. We were division three SWCL champs for the fourth consecutive year, and came in third place at the SWCL all-divisional meet. At our district meet we came in eleventh place out of twenty-three teams. Overall we had a great season.

This season the boys cross country team worked hard at every practice. The hard work directly correlated to our season record of 8-3. it is the best record we have had in years. This team has a lot of young talented people with great potential. Since there are no seniors on our team, we expect to perform even better next year.

We had an extremely successful season. Losing 3 key players last season, we were looking to take a couple years to rebuild. With a very young team, the future for this team is very bright. Bursting onto the scene at a young age, Tommy Rembiszewski put up numbers that closely competed with most seniors. Ryan Tarasiak and Jack Ezold also put up respectable scores to help the team push to 11-5. The team came in 4th at S.W.C.L and Devin Weaver came in 2nd out of 66 players at the event. The team didn't perform well at districts due to the weather conditions, but we are looking to bounce back next year and put [illegible]

Our season started with a big win at home against Burncoat. Then we lost back to back games against Uxbridge and Southbridge. We bounced back from this and won games against Oxford and David Prouty. After [illegible] we lost to Leicester and Bartlett. Our game against Bartlett was on a Sunday night. There was a huge rain storm, which delayed the game and it had to be finished on the next Sunday morning. We then finished off the season with wins against Quaboag and BMR and two tough losses against Bay Path and Grafton on Thanksgiving.

Our cheering squad had a rebuilding season this fall. We competed in three invitationals, taking home a first and third place trophy. At SWCL we placed fourth, being only 7 points behind third place. We made it even further to the regional competition for the first time in five years. With the oldest girls on our team being sophomores, we plan to excel in the years to come. We are very proud of all of our accomplishments made throughout the 2016 fall season.

This season we had a very young team which consisted of two eighth graders, five freshmen, three juniors, and two seniors. Even with the young team, our regular season was one of the best in the history of Millbury girls' basketball. We beat Quabog during our second game of the season, giving us the confidence we needed in order to have a successful season. We won SWCL by defeating Grafton the second time we played them. We also won the Lori Borne tournament by defeating both St. Peter-Marian and Littleton. We finished 20-0, becoming the first basketball team in Millbury High history to have an undefeated regular season.

The 2016-2017 basketball season was a fun and eventful time for everyone who was a part of it. We did not have the most successful season, but we grew as a team and managed to be competitive in every single game throughout the season. We experienced some tough losses to teams such as Narragansett, BMR, and Auburn. Those losses led to great wins against Burrillville, Oxford, and then a huge win on Senior Night to end the year against Lunenburg.

Our season went very well this year. We had a lot of new, young runners who improved greatly over the course of the season. Our overall record was 10-5, and within SWCL, 7-5. Many of our runners qualified for districts including the 4X800 and 4X400 relays. We will miss our two seniors, Jess Reumann and Angie DiDomenica, greatly as they were both two strong assets to the team. With only losing two seniors, we hope to be just as strong next year and are looking forward to next season.

This indoor season for the boys track was a very successful one. Despite having an inexperienced and young team, we were able to pull off big wins against powerhouses, Tantasqua and Auburn, en route to an 11-5 record. Lots of young and new members took big steps this season to help the team. Our team finished fifth in the league meet, finishing above Tantasqua and Northbridge. We were able to send two boys to the Division Five State meet which is more than last year!
